Our Shooting Star...

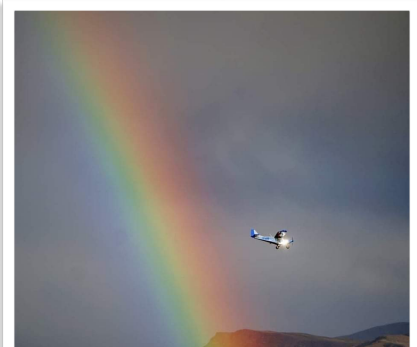

It's a bittersweet moment that we bid adieu and send our best wishes to member Star Simpson, as she recently relocated to Iceland in August 2020. Star transferred to the SFV99s from the Bay Cities 99s Chapter in August 2019.

In the past year, Star has been logging glider time, achieved an Icelandic sport pilot license, and even got to ride in a helicopter to an active volcano! INCREDIBLE! You make your SFV99s Chapter very proud, Star.

Star is going to research how to start an Icelandic 99s Chapter now that she's settled. On behalf of your SFV99s sisters, Star; You will always be welcome in our Humble Chapter, please keep in touch and we wish you all the very best in your new Icelandic adventures!
