NEWSLETTER FOR THE SAN FERNANDO VALLEY CHAPTER OF THE NINETY-NINES
INTERNATIONAL ORGANIZATION OF WOMEN PILOTS
November 2023

THE NINETY-NINES® MISSION STATEMENT

The Ninety-Nines® International Organization of Women Pilots® promotes advancement of aviation through education, scholarships, and mutual support while honoring our unique history and sharing our passion for flight.

Established in 1929 by 99 women pilots, the members of The Ninety-Nines, Inc.®, International Organization of Women Pilots®, are represented in all areas of aviation today. And, to quote Amelia, fly "for the fun of it!"

Hello Everyone!

It has been a very busy couple of weeks with the Air Fair/Career Day and Halloween Party planning. Fasten your seat belts though as more fun is to come. It's personally my favorite time of the year, too, with Cookies to the Tower and our Holiday Party on the horizon. I'm also looking for some ideas for a cool fly-in/drive-in and some people to help with our Scholarship Committee. The latter may be one person or more, and I will help, too. I hope to see more people in person as it is a lot of fun being together. ❤️

Love, Stacie

Faith Hillman, United Boeing 757-400 Captain, retired, loves Part 135 flying for VISTAJETS. She's a line training Captain which means she does line training with new hires and pilots upgrading to Captain.
